The Annual Fund makes up most of the difference between the cost of student education and revenue from tuition.

The generous support to the NYA Annual Fund from parents, alumni, grandparents, friends, faculty and staff members enables NYA to thrive. *For the second year in a row, 100% of faculty and staff have made a pledge to the Annual Fund. Our goal is to reach 100% participation for parents, too!*

Thank you to everyone who contributed to the Annual Fund this year!
